KAILASH SATYARTHI CHILDREN'S FOUNDATION

Kailash Satyarthi Children's Foundation (KSCF), founded by Nobel Peace Laureate Mr. Kailash Satyarthi, pictures a world where all children are free, safe, healthy, in school, and with the opportunity to succeed. Our mission is to end all violence against children worldwide by continuing Mr. Satyarthi's work on a local, national and international level. We actively engage children/ youth as part of the solution, building greater collaboration between governments, business and communities to produce effective national and international laws.

YOUNG PEOPLE MAKING CHANGE/ THE 100 MILLION CAMPAIGN

The 100 Million campaign is a call to action for a world where all young people are free, safe and educated.

KSCF supports young people to end violence against children, eradicate child labour, and ensures education, breaking a series of bonded cycles. Inspired by the strength of former child slaves, who have now become successful activists themselves, 100 Million empowers youth mobilisation, and aims to increase global understanding. KSCF believes this will create a world where all young people are safe, and learning in school, with an opportunity to succeed.
